

Baldwin High School

CHS COURSE OFFERINGS, 2023-24

ABOUT CHS

- College in the High School (CHS) classes are the equivalent of courses offered at colleges/universities.
- Students who pass CHS courses earn credits towards high school graduation AND may apply to earn college credits as well.
- Registration and/or tuition fees required by the affiliated course's college/university are due at fall or spring enrollment. The below chart shows prices for the 2022-23 school year; however, these prices are subject to change on an annual basis as per each college/university.

BENEFITS

- Save a *significant* amount of money, detailed in the below chart, and time, by decreasing the number of courses a student must take while in college to complete his/her degree.
- Credits earned for one college/university are often transferable to many others; confirm with admissions offices for credit transfer allowances.

COURSES

BHS Course Title (FY: Full Year / SEM: Semester)	Grade Level/s	Credits	Price per credit if taken at BHS	Price per credit if taken as an undergraduate

Baldwin High School

AP COURSE OFFERINGS, 2023-24

ABOUT AP

- Advanced Placement (AP) courses each have a syllabus that has been approved by the College Board to meet collegiate-level standards for the subject area.
- At the end of an AP course, students have the option to take an AP Exam on which a qualifying score can earn them college credits; confirm with college admissions offices for required exam scores to earn credits.
- The fee to take each AP Exam is \$97 and registration for these exams occurs in the fall.

BENEFITS

- Save a significant amount of money and time by decreasing the number of courses a student must take while in college to complete his/her degree.
- The “AP” designation on a high school transcript demonstrates to colleges a student’s motivation and commitment to complete rigorous coursework that aligns with collegiate expectations.
